A-SIDE!
The first
real simulation
of the world famous
game – it's all
there...
conversions, touch-
backs, line-outs,
drop-kicks, real
tackling, scrum-
downs, throw-ins
and all the rest...
An amazing mixture of strategy and fast action – definitely the best Rugby game, ABSOLUTELY BRILLIANT!
David Darling.

BRILLIANT 3D ACTION

This is it — the truly definitive Rugby game. It's got all you would expect, and more. Here are just some of the amazingly realistic features...

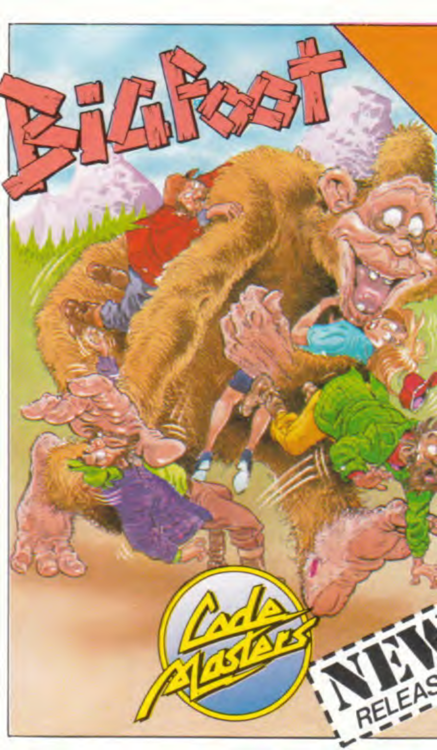

* Up to **EIGHT** players using the league feature
* All-action scrum-down sequences
* Conversions and drop-kicks
* 8 preset team playing policies, and you can make your own!
* Watch your team members line out behind you, waiting to receive the pass, while others mark the opposition...
* Real throw-ins
* Choose your own team name

With it's many remarkable facets, this will soon be your favourite game – **PLAY IT AND SEE!!**
